PRODUCT	NovaBond ARC – adhesive remover & cleaner			

Description

A colourless bio-based oil combined with cleansing alcohol and mild, slow evaporating solvent, which cleans and lubricates. Food grade contents.

Properties

- Clear/colourless
- Dissolves adhesive, grease, tar & gum removing them cleanly from surfaces.
- Leaves a protective film that can be removed with a mild detergent solution if necessary.
- Protects against further adhesive bonding / residues and repels moisture.

Applications

- Breaking down and removal of adhesive residues.
- Cleans stainless steel surfaces, leaving them clean and with a protective light film of oil.
- Clean and protects workshop tools and cutting machinery resisting further adhesive build-up.

Directions

- Can be supplied in liquid format for manual application on a lint-free cloth or for the use of 'dipping'.
- Also available in an aerosol. Shake can well before use.

Technical Data

- Appearance: Clear/colourless
- Odour: Mild hydrocarbon
- Propellant gas aerosol: Butane / Propane

Packaging

- Content: 100ml-600ml
- Box: 6 or 12
